XI. New Business:

1. Every 15 minutes for 2020 is being planned now. We have four amazing co-chairs; Lisa Bradshaw, Rochelle Gilmour, Jennifer May, and Mona Boboc. In the past, the budget has been over \$40,000. Of that, \$31,000 of it is for bleachers only. City of Dublin was contacted, however has refused to give us the grant. Chairpeople have contacted other lines of funds. Alameda County Fairgrounds will donate 1700 seats. Commitments have been made from others and all funds needed has been raised. We are now self-sufficient within our community. We are able to include all distracted driving. Need a date during first week of April 2020. April 4, 5, or 6 would be fantastic. Maureen will review and confirm. Proposing we mirror other schools E15 programs to make it more student led instead of parent led and possibly every 2 to 3 years. Would like to include kids not only from leadership and kids involved in learning make up application.
