**IX. Class Reports**

A. **Class of 2018:** Grad night sold 250 tickets only. Bus company, White Castle, was good and they recommend them. The graduation ceremony went well. Many people cut the line and just walked in as parents were waiting in line. During the ceremony, the speakers cut out a couple times because kids were stepping on the cords.

B. **Class of 2019:** Sold 237 leis and made \$2,627.50 in profit. Took notes on ways to improve and will share with next year's class. Decide if you want to reach out to the elementary and middle schools and ideally have a contact person at each school who can help deliver. Depending on timing and days of the promotions. Working with Admin on Senior kick-off (Senior Overview Day), on Aug 17. Heather is waiting to hear back from Admin on what the school will pay. The Junior class needs to plan on doing some sort of food for 6 seniors. Once Heather figures out what they want to serve and what Admin will provide, she will let the Junior Class parents know. This is a school event not a PFSO event. There will not be a senior breakfast or picnic.

C. **Class of 2020:** Made over \$1,000 from snack bar at DHS graduation. Still selling movie tickets.
