IX. Class Reports

A. **Class of 2019:** Moving along with all senior events. Senior Grad Night was supposed to be at Umigo and Lost World. Big draw for Lost World was their American Ninja Warrior course that was supposed to be up and running by grad night. However they have had problems with permits & construction and there is a major concern that it will not be ready. So

a decision was made by the senior parent committee not to gamble on this and decided not to go forward with Lost World. Going with Plan B which is Umigo only with outside vendors. But bigger and better! Lost world management has been difficult to work with and will not want to work with outside vendors. 2019 parents meeting on Wednesday to discuss. Still work in progress. We do not have any kind of contract with Lost World. Might give up a \$1000 deposit to finesse the relationship would Lost World. Selling banquet and grad night tickets online.

B. **Class of 2020:** Junior Prom tickets for sale, sold 553 tickets. Working on senior 101 parent meeting. Getting food donations together for Baccalaureate and working on organizing food donations for Senior breakfast for graduation rehearsal. Trying to contact Lions Club however they are not responding to help with graduation morning breakfast.

C. **Class of 2021:** Junior prom will be held on March 21, 2020 at Casa Royale. Need to provide waters for senior awards.
