IV. Vice-President's Report – Shazia Nomani

1. Library funds donation from Class of 2019 has been received.
2. BYOG payment for blankets has been made for Class of 2021.
3. Toured shed storage area. Very impressed with how nice and clean it is. Thank you to Class of 2019 for organizing it. Looking for second storage shed. Couldn't find it. There is a large blue shed by the baseball fields. However it is leaking and needs to be cleaned out. **Class of 2019 parents in attendance and gave an update on the storage situation at Nielson school. PFSO still has many large boxes there, with good items, that have to be moved out as soon as possible. We need to find a safe place to store them. Many boxes full of vases and décor have already been labeled and moved to our shed under the bleachers, however there are still more there. Included in the boxes are decorations for Mardi Gras theme and Hollywood theme. There's also a lot of plywood.
4. Working with RYC on their insurance with city and possibly adding event insurance. Liquor license as well.
5. Attended Superintendent meeting. Many schools want a clear understanding of ASB vs. PFC (PFSO) including the use of Venmo and PayPal.
6. Firework booth update: Still holding onto funds for all organizations. We would like to move on & close out records, however there is a discrepancy of \$153 with TNT accounting. Decided at meeting to move forward and write off the \$153.

3. Needs the title of the line item to transfer E15 money to ASB. ASB will let her know.

X. Old Business:

Representatives from Class of 2019 were in attendance to discuss left over items being stored still at Nielsen school. There are still DHS boxes there. Including decorations for Mardi Gras and Hollywood themed events, along with lots of plywood and vases. They have moved as much as they could to our storage bins, however there is a lot left that is worth keeping and we need to move the stuff out asap. Catheryn will review.
