

## PFSO Meeting Minutes - October 26 , 2020

- I. Call to Order at 7:02pm. Zoom meeting on line during Covid 19 Pandemic. List of attendees recorded by Secretaries. Catheryn welcomed everyone.
- II. Administration Report - Maureen Byrne & Lenni Velez
  - A. Maureen wanted to thank everyone for all of the support this school year. Difficult year and time for everyone. But admin, teachers, staff, parents, all working hard and together to help keep the students engaged. Leadership kids are amazing and working hard for school.
  - B. Toured the new math and science buildings. Going well. No date announced yet for completion.
  - C. PSAT will be offered to Juniors only on Tuesday, January , 2021.
  - D. Lenni: Working on communication for parents and students on where to find what resources they need to use to find grades, reports, etc. Working on technology resources best for communication. Barna asked Lenni to send info to her for email to parents.
- III. President's Report - Catheryn Grier -
  - A. Welcome to everyone.
  - B. Zoom has been working very well. Will continue to meet via Zoom until Covid is over and everyone is comfortable meeting in person.
- IV. Vice-President's Report - Shazia Nomani
  - A. Gael Force Robotics Club is doing well and preparing for competitions hopefully in the future. All teams have been cleared. Team 5327S won their tinker board competition.
  - B. Follow up on Venmo: Christy Li reported details. Chrisy and Ellen have been researching Venmo and PayPal. Venmo is designed and easy to use and transfer funds for personal use. No backup or regulations. However, not suitable for school or PFSO use. It's not safe or good for PFSO to use. No paper trail or electronic trail or checks and balances. Not able to use. If there are other options, we can review and explore. Banking system is safer than PayPal or Venmo. Class reps are there for 4 years and it is a good practice to fill out the nomination form to let people know that you are still interested every year.
  - C. Follow up on Raffles/Drawings: We can do raffles and drawings, however we need to plan ahead and have to submit the required tax forms to the State of CA. The State is concerned about "gambling" and will consider both raffles and drawings gambling if someone wins and someone losses. The CA States Attorney office needs to be notified in advance. Best practice is to send as we have raffles or drawings, not to wait until the end of the year. Ellen will update the fundraising form for classes to use. PFSO will file the papers with the State of CA.

- D. Attended the Superintendent's Zoom meeting. All present do not want to meet in person right now. Many school sites need help with science. District is looking into this idea.
- V. Secretary's Report - Irene Padnos & Leslie Portugal
  - A. **M1026201** Approval of September's minutes
- VI. Treasurer's Report/Financial Update - Ellen Ladouceur & Christy Li
  - A. Reviewed monthly financials. Several fundraisers so far this year which have done well.
  - B. Thank you to Alissa for getting fingerprinted for the Senior Treasurer position.
  - C. Please use the PFSO Treasurer email address, not personal email.
- VII. ASB Report - Michael D'Ambrosio with class officer Eddie Padnos
  - A. Report by Eddie Padnos: Over the weekend ,he attended the Tri-Valley Youth Leadership Summit with fellow students Acacia, Susu, Suvan, Trisha, Megan, Sidney, and Mr. Sbranti and it was great! We were able to hear what other Tri-Valley students and citizens believe is important now and for the future. Happy to report that every idea proposed in the meeting is something that Dublead has already been working on. For example, they discussed community outreach, diversity, and efficient transportation, so DHS is well ahead of the curve.
  - B. The outreach into our community has been great and there are multiple ways to get involved, and that is due to our new Dubleadership website which is now listing all of our clubs and activities, as well as, all of the work that our leadership houses have been putting out into our community. Our Intuition Student Leadership magazine came out and it gathered around 15,000 viewers. Thank you to PFSO for our contribution! Leadership also had their first Dub Talk student leadership talk show and interviewed the candidates running for Dublin Mayor. Red Ribbon week is this week and spirit days are planned for Tuesday through Thursday. Planning first virtual rally!
  - C. Acacia Triplet paved the way with the Our Dublin campaign, where every DHS student was given the opportunity to pick up a free Dubversity t-shirt and she definitely made a huge impact on our city.
  - D. Recently begun advocating for safe and eco-friendly transportation in Dublin with our participation in the walk and roll week which took place last week.
  - E. ASB officers are currently in communications with different businesses such as SomiSomi, Uji Time, and Rockin Jump for a future Dublin High School event much like the Meadowlark Dairy event which was a great success! Blue and red Gael Cones were passed out completely free to Seniors and to everyone else from Dublin at a cost. There was a huge turnout! More participation from any of the other schools!
  - F. ASB is in communication with administration working out details on a fundraiser to allow students to paint parking spots in the student parking lot. Funds raised

will go to a chosen organization. He reached out to students from Cal High, Foothill, Amador, and DV and found that they have done something similar and used chalk to decorate. However, he is hoping to be able to paint parking spots to have more bright and beautiful pictures. This has never been done at Dublin High before.

- G. Mr D'Ambrosio: ASB runs leadership meetings on Monday. Students are very well prepared and professional. Eddie and the other ASB officers do a fantastic job running the meetings.
- H. New idea brought to Mr. D'Ambrosio by a Junior Class Officer. Idea is to hold a holiday tree lighting ceremony on campus to Dublin High's special big tree. Students currently researching the price of having a professional lighting company come to install the lights and also researching ideas on how to make this happen. Amazing idea for our community and school.

#### VIII. Funding Requests -

- A. Request and presentation made by Tim Sbranti on behalf of Athletics and Video Production. Through the Huddle Program, DHS would like the capability to live stream all athletic events and actually all events at DHS and even away game. Currently, athletic games are scheduled to start in January, however there will be little or no spectators. The capability to live stream will not only be very important during this Covid time, but also continue afterwards. It is an investment in students' futures to have quality film for college scouts and applications. The ability to live stream events will be a huge opportunity not only for athletics, but also other school events such as Band's field shows, Color Guard, Graduation, etc. It also will allow for a huge academic opportunity to students as announcers, producers, selling advertisements, graphic design, video design, etc. Thinking of creating a Remote Video Production class - we would be the only school in the area with this. Students will have the opportunity through this video production class to learn career technical skills. The Huddle live streaming program will be accessed on people's smartphones. They can watch live or get game updates. We would have a one time upfront cost of \$2,100 for mounted cameras on the sports field and \$2,600 for live streaming capabilities. Programming software will be updated free of charge. Athletics has had a tough year without any revenue stream. DHS Athletics already pay an annual fee to Huddle for several teams, this program will allow all teams to be able to utilize the Huddle program. In addition to the benefits for students, coaches and families, live streaming will allow for DHS to have sponsors with students creating graphic advertising. Requesting \$5,000 from PFSO for the Huddle's live streaming program. Tim will provide PFSO with invoices once paid.

**M1026202** - Motion approved to give \$5,000 to DHS Athletics for purchase of Huddle live streaming program

#### IX. Class Reports - None

- A. Class of 2021 - Boon & Tumbler fundraiser just ended. Talking to business to take over and use the deposit from Class of 2020.
  - B. Class of 2022 - Tamale pre orders soon. Ruth working on details. No tricks only treats family fundraiser. Asking \$31 per family. Will use the money towards senior year activities. Princeton review student fundraiser, free set of four webinars purchase of SAT or ACT prep class series. More details coming out soon.
  - C. Class of 2023 - Just finished Crafty Kit fundraiser. Will continue throughout the year with different themes. Kits did very well. Holiday kits coming out soon.
  - D. Class of 2024 - Met with class officers and teacher reps. Many questions came up about the difference between PFSO funds and ASB funds and fundraising. Raised over \$2,000 on first fundraiser. Still have approximately 50 masks that were sold to families but never picked up. Have contacted families on numerous occasions with no response. Motion brought to add Esther Arriaga as fourth class parent rep.
    - M1026203** - Motion approved to add Esther Arriagar as a 2024 Class Representative
- 
- X. Old Business -
    - A. Shazia has some ideas on how to celebrate teachers and admin. Will talk with the chairperson of Teacher's Appreciation. Leadership students can help.
- 
- XI. New Business -
    - A. Any ideas to support teachers? We want to do something to help and support teachers. Lenni will think about it and send us an email.
- 
- XII. Open to Floor -
    - A. Per Mr D'Ambrosio, students are creating three different Homecoming models of what Homecoming might look like. After the holidays, leadership will meet with admin to decide what will happtn.

Meeting adjourned at 8:22, next Zoom meeting Monday November 30 at 7pm.
