B. Update

1. Bylaw committee has been formed and they are reviewing different school bylaws, making suggestions and updates to our existing PFSO which will be presented to the board at a future date
2. Treasurer fingerprinting is done by the district but club volunteer fingerprinting is not done by the district. Shazia has been talking to the District on how to streamline fingerprinting for all the volunteers. She requested the admin to look into it and Leeni said she will get back on this.
3. Shed location and purchase is still work in progress.
4. The special funding request from Biomed to purchase additional earphones approved at the last meeting was withdrawn as the district will be paying for the same.

C. Superintendents meeting.

1. The district is looking for more substitutes teachers and they are having job fairs for recruiting new members
2. DHS students are facing bathroom issues, as most of the time not all the bathrooms are open. Admin said they are aware of the problem and they are looking into the same
3. A list is being created and updated on the school website with all possible holidays of all religions and that will be sent to the teachers so that they are aware and can plan homework and tests accordingly. It was mentioned by parents during the PFSO meeting that the teachers do give homework on no homework nights. Admin said sometimes it is hard, as some AP and advanced classes do require daily homework but teachers are trying to do their best. The admin requested the students to be proactive and reach out to admin or counselors if they have any problems in regard to homework policy from any of their teachers.
