

SENIOR MEMORY PHOTO COLLAGE

It is a tradition at Dublin High School that senior parents create an 11 X 17 photo collage for their student. These collages will be displayed at three senior events:

- Senior Banquet 5/5
- Baccalaureate 5/21
- Grad Night 6/1

Fed Ex (formerly Kinko's) in Pleasanton will be assisting us this year.

Instructions:

- Select photos of your student that reflect your Senior's interests, family, pets, sports, school activities, friends.....their memories from birth to graduation. You may use stickers, colored paper, etc. It is your choice....your student's memories.
- Using an 11 X 17 piece of paper (NOT CARDBOARD or POSTER BOARD!!):
 - Leave a ½" border all the way around.
 - You may put your senior's name on the front. On the back, you MUST write your senior's name and phone number.
 - Lay out and secure the photos – horizontal or vertical – with 2 sided tape. **DO NOT USE GLUE!!**
 - DON'T OVERLAP THE PHOTOS!! Either butt the photos right up to each other or leave a space.
 - If you'd like to create a collage at Costco, you can use the 11x14 size or the 12x18 size (NO LARGER than 12x18). However, the cost to laminate the 12x18 is *much more* expensive (see below).

***** The LAYOUT MUST BE COMPLETELY FLAT *****

- Print and fill out the attached *Copyright Release* form and bring it with you to:
FedEx (Home Depot Center)
6070 Johnson Dr.
Pleasanton, CA
Phone: 416-0494
- Bring your completed collage to Kinko's between January 5 and April 21. **Kinko's will laminate your 11x14 and 11x17 collage for \$4.95 or your 12x18 collage for \$12.00. We DO need them to be laminated!**

IMPORTANT: If you do not want the *original photos* laminated, then you should make a color copy of the collage at Kinko's for an additional \$2.39 and this copy will be laminated. Kinko's will keep the finished collages as they come in. I will collect them and keep them until Grad Night. They will be returned to your student at the end of Grad Night. Please **DO NOT FORGET** to put your child's name on the back of the collage!
